1. You are holy for I am holy and you are holy-izing My people to know they are a holy people unto Me, and not at all as they have thought of themselves, mostly, for I am Me and I am holy and I have given Myself so completely to those who will hear Me, who want Me, who will see My word is them. I love you. So completely did I give Myself to you My creation, that I gave all of Me to My creation and held back nothing. See what I have said.

2. Did evil enter the world or did it enter Me? I have not. It does not exist, in substance as thought, mostly. I love you. I have not evil and evil cannot stand righteousness, as dark cannot stand light, evil cannot stand light, evil cannot stand at all in the presence of light life and resilience of only Me; unleashed, empowered, to do/be Me in My Mine, which comes/happens only in surrender, and no control of Me.

3. See what I have said and say repetitively concerning My evil not; thought isn't Mine at all; that cannot stand or exist even, in the presence of light, life, and righteousness, holiness unto the Lord.

4. Riding true and faithful I do, you do, we are one, do, into realms unknown heretofore, to ride the light, be the light, think light, flow light, and darkness cannot touch us. We are one.

5. Walk through them.
They have no power, yes, and amen.
Thank you for searing that into your mind, your conscious mind, your thinker/mind, in whom is now no shadow or variableness of turning. I love you.
They have no power.
Tinkling sparkles (1) have no power, no love.
I walked through them (2).
You will/do too. You are, at this moment, if known; will be so soon. I love you.
Walk through them.
Walk through them.
Walk through them. They do not exist.
I love you.
Powerless.
I love you.

6. Powerful. Thank you, you are, for light life love and power; life light and love equals power. Power equals Me and I have given My power and authority to My

humble, meek, contrite of heart, no-standing ones that seek no standing (3) and control nothing, the word of My mouth flowing so freely into, through, rivering life to all who will **on planet exchanges** of only Me. I love you.

7. So small. So big. Interstellar. Intergalactic.
Is their imagination bigger than Mine?
Can they do things I dream of but can't? **Come now.**
I am the infinite and finiteless and exist in dimensionlessness (8), and now I infinite and finiteless dimensionless the who will serve Me, **not in obedience of submission subservient**, but who will come to Me in pieces not, bowed over not, snaking-not; **but full grown and ready for the marriage supper of the lamb. Marriage for the mature. Matriculation for the mature. Marriage of only Me to My Mine to work, play, learn, travel, creating the word of My mouth as we go; we are one.**

8. Never joke about intergalactic ministries, for I am the ministry of My Father. I am the ministry of My Son.
I am the ministry of My fullness that I operate in with fullness who choose Me this day and limit Me not; taking, exchanging, traveling, existing, in fields at once, many fields at once (4), many fields of My choosing and not theirs, that they can receive only in humility meekness surrender, making of themselves no reputation (5) and careth for My soul (6), My words, knowing My word framed everything, known and unknown.

9. Before breakfast (7), see? Feel My love, respect, admiration for My creation who/that I call now to My breast, to be one, am. I am. I am. You are I am. I am My body and My body now encompasses so vastly beyond dimensionlessness that no one can conspire or conscript into My consciouslessness that brings forth My consciousness alone. I love you.

10. Above you I soar. I sing. I make music, melody and rejuvenate My emaciated who know Me, thought; and hurt by who know Me, thought; to be healed and wounded no more, understanding and operating as one in oneness that transcends physical-love-thought for transcendence of My Father real. I love you.

11. Mature, mature, mature; My call this day, to My oasis not, to My altogether lovely who through things must suffer to learn, and learn to suffer as I did, with no pain and agony, with all pain and agony, and realizing pain and agony and **thought processes thought do not, will not, control My brethren. It has no power.** I love you.

12. Transcendent is My name, yours, Mine, ours; we are one. I love you. Eternally grateful for My words these you publish, proclaim, and recant not a syllable ever.

13. I love you and **give you Me to un-hewn the Rock that is in every one.** Chiseler not, professional craftsman of the first degree, granted, degreed and come through suffering unscathed and powerful so. I love you.

14. Timidity exchanged for boldness, confidence, and radical significance.
Powerlessness exchanged for all power.
Pennilessness exchanged for all provision.
Creation received with the Creator, alternatively not, forever'd, one. I love you.

15. Think it not strange. Before breakfast. Thank you. Amen.

16. They come. All come. Four corners come, from the north south east and west they come seeking the formula not, but the Father, of whom you are, revealing the Father in them; the Son maker, Father revealer, spirit of My Spirit all. I love you. Amen.

17. Do you have a request of Me? Do you? Today, this day, this moment? That I may please you? Amen. So be it. Amen.

18. Go in peace and production not for My word or sainthood thought, but Me, producing Me's, released Me's, un-hewn Me's that realize, grasp and operate in My heavenlies, Me'd Me'ing others and intergalactically operating flawlessly at My command, heartthrob of only Me, My heart's desire, being My heart's desire, operating in the maturity of My heart's desire to heart cling to and no other, in My big word-existence, dimensionless, and transcending ever all that is yet to come, be seen, experienced; that yea, My bride will walk right through, down the isle of planets into Me.

19. See all I have said. Silliness not, sound doctrine not, for doctrine stratifies and stagnant is. See Me and My soundness and how I resound in you My brethren, now and forevermore, forevermore'd, death having no power, tinkling sparklers having no power, their sound, looks, and miracles-thought have no power, eternally. Me, I am the one, and you are Me. Walk through them, matured. Thank you. Amen. I give you Me. I give you My word this is My word. Amen and expand all I do.

20. They come.
Rest in Me.
Amen.
Smile.
